

PROJECT FAIR

FAIR HEARING ASSISTANCE, INFORMATION & REFERRAL

Do you have questions about your public assistance, food stamps, or Medicaid case?

Do you have a fair hearing or need a fair hearing?

Come get information at Project FAIR's Legal Help Desk!

We do not work for the State or the City.
Our service is free.

Project FAIR's Legal Help Desk is located in the waiting area at the:

OTDA Office of Administrative Hearings
14 Boerum Place, 1st floor
Brooklyn, NY 11201
Hours: Monday through Friday - 12:00pm-3:00pm

Project FAIR volunteers provide information about fair hearings and can give you referrals for legal help. However, our volunteers do not provide legal representation, nor can they guarantee that referrals will result in legal representation.

Project FAIR is a collaborative, City-wide project working towards greater economic justice for low-income and homeless New Yorkers. Project FAIR empowers individuals and their communities by increasing access to information about public benefits, fair hearings, and community services and by securing quality legal assistance for public assistance, food stamp, and Medicaid recipients.
